Barcode Test Sheet

If you do not know which type of barcode you need, please print this file.
Do not resize or scale it – and scan it with your barcode scanner.
Typically the **Code 39** or **Code 128** work with most systems.

CODE 39

00001

CODE 128

00001

CODE 128A
with Carriage Return
00001
